dimension series

For over 20 years, Pivottech has produced a range of shower enclosures that have set the standard for craftsmanship and value for money. Using the highest quality materials, our systems continue to be an investment in quality and style.

Dimension shower enclosures are designed with the versatility to adapt to numerous applications and configurations, combined with the ease of installation and quality of components that our customers rely on.

dimension - 90°

The Dimension series is the ideal shower enclosure for the budget-conscious builder. It provides Pivottech quality in a flexible, long-lasting and affordable design.

dimension - 45°

45° enclosure allows more flexible use of available space. This configuration allows the placement of vanity and toilet on either side of the screen without compromising the door opening.

features

proven design

The Dimension fully-framed shower screens are ideally suited to any bathroom. Their robust construction guarantees years of trouble-free service.

full length handle

The unique Dimension full-length moulding is integrated into the door design - creating an extremely strong handle that is convenient to use, yet remains stylish and visually unobtrusive.
